MEMORANDUM FOR: Acting Director of Central Intelligence

SUBJECT: Request from the Vice President for a Sampling of Threatening Statements, Colorful Statements and Anti-Western Statements by Khrushchev Over the Past Few Years.

1. This memorandum suggests action on the part of the Acting DCI. Such requested action is contained in paragraph four.
2. On 26 August General Cushman, Office of the Vice President, called and stated that Mr. Nixon would like to have from us all of the most colorful statements and all of the most threatening anti-Western statements made by Khrushchev from the time when he assumed supreme power in the USSR.
3. After further discussions with General Cushman it was decided that we would not attempt to screen out and list all such statements but would instead provide a selection covering the last two years. This has now been done and the statements are herewith forwarded.
4. It is recommended that the attached letter to the Vice President enclosing the requested material be signed by you.

Dear Mr. Vice President:

On the 26th of August General Cushman of your office asked that we provide you with a compilation of the colorful statements and the threatening anti-Western statements made publicly by Mr. Khrushchev during the past two years.

In the interest of brevity no attempt has been made to extract all such statements from the Russian press and radio. The attached material represents selected statements chosen primarily from Radio Moscow or Tass.

I trust that this material meets your requirements.

Respectfully yours,

Signed C. P. CABELL
